Sir,

With reference to Government Order No (4917-19-7-7) dated 8th ~~December~~ 1904 re Scholarships to Shimoga students on account of the closing of the College Department of that Institution, I have the honor to inform that only one of the Shimoga Junior F A students of last year has joined this College, as has already been intimated to the Inspector General of Education

I have, however, in the same connection to bring before the Government the necessity of making some special provision for District Scholarships to Shimoga students in the Junior F A class It is obvious that provision should be made for awarding in the Central College and Maharaja's College together as many scholarships for the Junior F A as would have been awarded in the Shimoga College, had it continued to teach for the F A Examination Not only so but the value of the Scholarships would require to be considerably increased as students cannot come away to Bangalore or Mysore and live as cheaply as they would have done in Shimoga From January 1892 this college has awarded 7 District Scholarships of Rs2/- each to students who had passed Matriculation from one or other of the several High Schools, namely, Kolar, Tumkur, Chennapatna, Chickballapur, Chitaldrug Chickmagalur, Hassan But this year 4 students have joined the Junior F A after passing Matriculation from Shimoga and of these three are applicants for scholarships As all the 7 District Scholarships have been assigned to applicants from other 7 High Schools there being

16 applicants in all from these schools, I am quite unable to award any to Shimoga students and I have no doubt it will be considered a great hardship by students from that quarter if no provision is made for them

There are also 2 Shimoga students who had appeared for the F A Examination from the Shimoga College last year but failed They have joined our Senior F A class and are requesting scholarships One of them had a District Scholarship last year and the other was a half free student Perhaps in consideration of the special circumstances connected with the Shimoga College this year they may be permitted to attend as Free students

I request that Government may kindly pass orders with respect to this matter as early as possible

I have the honor to be,
Sir,
Your most obedient servant,

Principal
